

Golden Triangle Creative District Board of Directors Engagement Letter

Members of the Golden Triangle Creative District (GTCD) Board of Directors serve as ambassadors in the community and are essential to the fulfillment of the mission and vision for the neighborhood as detailed in the Golden Triangle Neighborhood Plan adopted in 2014. Terms are for three years.

The GTCD board is a working board responsible for providing both financial and hands-on support critical to this new organization. Understanding the needs of this organization while recognizing that board members serve as volunteers, the GTCD asks each board member to reflect upon and indicate below how they can effectively contribute toward the advancement of the organization's vision.

Please check boxes below indicating how you can support the organization in your board role:
