GOLDEN TRIANGLE
CREATIVE DISTRICT

Looking for New Pet Station Images

There are approximately 10 pet stations sponsored by the **Golden Triangle Creative District**. We are updating the signage and need new canine models. If you live or work in the neighborhood and would like to submit an image of your precious pooch for consideration, please review the information below.

Send your submittals to Dropbox via this link:

https://www.dropbox.com/sh/bpv0rfvbc8fdx0y/AABzwziGQ9pv9GCfZ1stOx_ca?dl=0

File type: JPG

- Best would be raw image JPGs from a camera.
- Smartphone imagery is not high resolution enough to crop in on images and maintain resolution of 200 -250 dpi at 8 x 12.

Image Tips:

- Take photos **close in against a neutral background** for high contrast. This facilitates photoshop steps to create necessary transparent background.
- Ideally use white wall background for dogs with dark fur, dark wall for light-colored fur.
- Horizontal (long edge at top, not portrait) shots are best.

Who are we featuring?

- Please send to admin@goldentriangleofdenver.com the dog's and your name as well as where in the Golden Triangle you live or work. Only the dog's name will be on the sign.

Questions – contact Laura Liska at raclau2017@gmail.com. Thank you!

Here are examples of the new sign design and types of images we are looking for.
